- Each year, **hundreds of people are injured or killed** while trespassing on railroad property in the U.S.
- **Trains are faster and quieter** than you think.
- Railroad tracks, bridges, trestles and yards are **private property**.
- **You can be held liable for damage, injury or worse.**
- It can take over one mile, or 18 football fields, for a train to come to a complete stop. **Trains can't stop quickly, and they can't swerve!**
- Sharing photos taken on or near the tracks might **promote dangerous, illegal behavior**.
